<b>R7 Double</b>	\$1738.00	\$1911.80

R7 Double with Rubber Flap Door

## TeleSlides

### Telescopic Aluminium Rice Slides:

These adjustable aluminium slides replace board control. The initial slide sits in the base of the opening. The remaining slide fits snugly behind the first. It can be adjusted to suit your water flow by lifting or dropping it's height with the fixed handle. TeleSlides can be customised to any height combination.
